Dr Jay Natalwala
MB, BCh (UK), DRCOG, FRANZCOG
Gynaecologist & Infertility Specialist

Dr Jay Natalwala is a Consultant Gynaecologist and Fertility Specialist. He consults in all aspects of gynaecology but his main interests are in the management of infertility, advanced minimally invasive surgery (laparoscopy) and endometriosis care.

Dr Natalwala studied medicine in Cardiff, UK and specialised in Obstetrics and Gynaecology after training in Perth, Melbourne and Adelaide. He also completed the Masters of Reproductive Medicine degree from the University of New South Wales.

As Medical Director of Fertility Great Southern, Dr Natalwala has been part of the setup of this regional centre to minimise the hurdles for regional patients. Generally, patients can be seen quickly for consultation and fertility investigations in Denmark or Albany and receive treatment without needing to commute to Perth. He has been the Clinical Director of Fertility North since 2003.

Dr Jay Natalwala has been involved for many years in teaching and mentoring of trainees in the Obstetrics and Gynaecology specialisation programme. He is also a Clinical Mentor to medical undergraduate students from Notre Dame Medical School.
