

**OUR DOCTORS****Dr Franc Henze****MD, DMD, BScDent (Hons), FRACDS, FRACDS (OMS),  
GradCertAviationMed, JP***Oral & Maxillofacial Surgeon*

Dr. Franc Henze is dedicated to providing superior patient care, ensuring reduced pain and faster recovery times.

He earned a Doctorate in Medicine from Germany's University of Cologne in 2000 and a Doctorate in Dentistry from the University of Würzburg in 2003. After moving to Australia, Dr. Henze achieved his AMC and ADC accreditation in 2004 and 2005, respectively, and completed specialty training in Oral & Maxillofacial Surgery in Perth, Brisbane, and Melbourne.

Dr. Henze holds Fellowships in both Oral & Maxillofacial Surgery and General Dentistry. With extensive experience in trauma, pathology, orthognathic, and dento-alveolar surgery in the public health sector, he founded Western OMS (formerly known as Faceworx) to provide the best surgical care in Western Australia.

In the metropolitan area, Dr. Henze consults at his offices in Nedlands and Joondalup and regularly travels to Geraldton and Albany to serve regional areas. As a leading oral and maxillofacial surgeon in Western Australia, Dr. Henze specialises in:

- Wisdom Teeth
- Dental Implants
- Pre-prosthetic Surgery
- Pathological diseases of the mouth, jaws, and gums
- Trauma
